WORK EXPERIENCE

■ Unbox Creator Network (Mobile Application) (2024)

- Conducted user research and gathered insights to improve mobile app usability
- Created wireframes, user flows, and interactive prototypes using design tools (Visily)

- Collaborated with developers and stakeholders to ensure design feasibility and consistency
- Designed intuitive and visually engaging UI components aligned with brand identity
- Assisted in usability testing and implemented improvements based on user feedback

■ **RiskIT (Cybersecurity Website)** **(2024 – 2025)**

- Designed user-centered interfaces for a cybersecurity-focused website
- Developed wireframes, high-fidelity mockups, and prototypes for web platforms
- Improved user experience by simplifying complex cybersecurity concepts into clear, accessible designs
- Conducted usability testing and iterated designs to enhance user engagement and accessibility
- Worked closely with cross-functional teams to deliver responsive and consistent design solutions

Administrative Staff / Tech Support

Zonal Realty Corp. **(2024 - 2026)**

- Encoded agent commissions accurately and maintained organized records
- Performed troubleshooting and basic maintenance of company devices
- Developed conditional formulas in Excel using IF/ELSE functions for data processing
- Designed promotional materials (pubmats) such as calling cards, posters, and announcements
- Created and managed visual content for social media platforms (e.g., Facebook)
